To Whom It May Concern,

I am writing to wholeheartedly recommend **Ammar Hany** for any endeavor he chooses to pursue. During his tenure at Animals.ai, Ammar showcased an exceptional blend of technical prowess, dedication, and leadership that significantly contributed to the success of our company.

As an AI Engineer, Software Engineer, Backend Engineer, and Database Engineer, Ammar exhibited an extraordinary level of proficiency across multiple domains. He demonstrated unparalleled expertise in managing our backend infrastructure and database on the Google Cloud Platform, ensuring optimal performance and reliability.

Ammar's contributions extended beyond backend management; he played a pivotal role in developing and refining our Computer Vision Models, meticulously training them and overseeing annotation tasks with precision. His dedication to maintaining our IoT tasks resulted in efficient and timely completions, underscoring his ability to handle diverse responsibilities with remarkable efficiency.

Furthermore, Ammar took charge of managing our REST APIs, exhibiting a keen eye for detail and a commitment to excellence. His proactive approach to problem-solving and his willingness to assist his colleagues made him a valuable asset to our team. Ammar consistently went above and beyond his duties, striving to enhance every aspect of our work environment.

Not only did Ammar excel in his individual capacities, but he also dedicated time to mentor interns within our organization. His mentorship was characterized by patience, expertise, and a genuine desire to foster growth. Under his guidance, interns achieved outstanding results, attesting to Ammar's exceptional leadership skills and his ability to inspire and motivate others.

In summary, Ammar Hany is an outstanding professional whose contributions have significantly elevated our company. His technical acumen, leadership qualities, and commitment to excellence make him a standout candidate for any role or project. It is with great confidence that I recommend Ammar, and I am certain that he will continue to excel in all his future endeavors.

Sincerely,

Yuan Xiong
